

### Request for a Jurisdictional Determination

This format can be used when you want to determine if areas on your property fall under regulatory requirements of the US Army Corps of Engineers. Please supply the following information and supporting documents described below. **This form must be signed by the property owner** to be considered a formal request. Submitting this request authorizes the US Army Corps of Engineers to field inspect the property site, if necessary, to help in the determination process. The printed form and supporting documents should be mailed to:

US Army Corps of Engineers, Nashville District  
Regulatory Branch  
3701 Bell Road  
Nashville, TN 37214

Please provide a map or plat of survey identifying the physical boundaries of the property. If the property is farmland, it may be necessary for you to contact the Natural Resources Conservation Service for a wetland delineation before you can request a jurisdictional determination.

If you are considering doing work on the property and can identify, on the above map or in a separate drawing, the footprint, location, and type of potential work, it will assist us in the determination process and reduce unnecessary delays of processing subsequent permits, if required.
